Dear Sponsors and Supporters,

January 2021

This is a brand-new year, but more importantly, it is a brand-new day!

"Because of the Lord's great love, we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness." (Lamentations 2:22-23)

Clinton Nakazaeli Sumari graduated from Form 4 (High School) last October (On left in military uniform). He then joined the six-month International Evangelism Bible School in Sakila (The tallest man on the right below). This six-month school on learning the Word of God is an intense program. Their day consists of prayer, meals, classroom studies, an hour of work time, an hour of free time, starting at 4:00a.m. and ending at 9:00p.m. This education is equivalent to two years of Bible

School in the United States. Between his education at Hebron Secondary School, and the training on being an effective warrior for Christ, Clinton will be able to carry God's Word to as many who will listen. Thank you, Justin and Rie, for your faithfulness in sponsoring Clinton all these years. Let us continue to pray for this young man as he carries the Truth of God to the world.

2021 Food Drive

Godwin Selembo (School director) has said that our 1000 students will consume nearly 60 tons of corn, 16 tons of beans, and 26 tons of rice for the year. *"The theme: we eat a lot!" "They don't know when the next meal will come, so they eat whenever they see a meal."* ~Godwin Selembo~ We will be supporting the local economy around Sakila and Arusha for food purchases. We purchase our food in Tanzania to support their economy, and for cost effectiveness, as the numbers indicate below.

Arusha Region to Purchase

Corn-\$230 x 60 tons = \$13,800
Beans-\$390 x 16 tons = \$6,240
Rice-\$782 x 26 tons = \$20,332

United States to Purchase

Good quality grade corn-\$840 x 60 tons = \$50,400 (\$21 for 50lb bag)
Beans-\$1000 x 16 tons = \$16,000 (\$25 for 50lb bag)
Rice-\$960 x 26 tons = \$24,960 (\$24 for 50lb bag)

Important Announcement

We have a request for all sponsors and supporters. In order for us to have all the information needed for our database, we would appreciate it if you would please include a note specifying where you would like your additional giving directed or contact Monica Duchemin (Bottom left). For example, if you give monthly for the Duka (store) for your students' family or a one-time Duka basket for the year, please let us know. Also, if you give towards rice, beans, corn, and the building of new dormitories, we need to specifically designate those funds into our system or they will be designated for the general fund. If you have been giving extra for years, above and beyond monthly sponsorship, we need to update our database with this information. Thank you so much for the extra help that is given to support the needs of this program. Your faithfulness is a blessing beyond measure.
