Dear Sponsors and Supporters,

We would like to thank Dave and Connie, for sponsoring Brian Isaac Nanyaro. We never know how long a student will attend Sluys/Anderson School, because of the many factors outside of our control.

Regardless, the education and faith that is being instilled in them will impact their lives for eternity. When the new school year for Primary (Standard 1-7), started on January 11, our students began with new uniforms, books, daily prayer, staff and teachers who desire our students to succeed, guidelines to keep them safe, and the on-going education of English and Swahili that will help benefit their career.

Asante! (Thank you!)
